Psychology of Poetry

THE PSYCHOLOGICAL PAPER OF THE PSYCHOLOGICAL ASSOCIATION OF THE AMERICAN PSYCHOLOGICAL ASSOCIATION. THE PSYCHOLOGICAL ASSOCIATION OF THE AMERICAN PSYCHOLOGICAL ASSOCIATION. THE PSYCHOLOGICAL ASSOCIATION OF THE AMERICAN PSYCHOLOGICAL ASSOCIATION.

TRIONPHANT
conclusion of the epic begun in THE GOOD EARTH

HARRY HARRIS: "It is a beautiful, deeply felt and moving story of a woman's life." — *The New York Times*

HERSCHEL MICKEL: "A rich and absorbing story."

LEWIS GANNETT: "A long, strong, and stirring story."

ROBERTY CARROLL: "A gripping and moving story of a woman's life." — *The New York Times*

MARY JOSE: "A beautiful and moving story of a woman's life." — *The New York Times*

BOSTON TRANSCRIPT: "A beautiful and moving story of a woman's life." — *The New York Times*

A HOUSE DIVIDED
By Pearl S. Buck

BY 30 • JOHN DAY BOOK
New York

JAMES HILTON: "The author's style is a masterpiece of simplicity and directness." — *The New York Times*

By VICTOR CANNING

Mr. Finchley's Holiday

"One of the most delightful of light-hearted romances. It is short, good-humored and relaxing." — *The New York Times*

South of the Sun
By Evelyn Owen

"The most beautiful of light-hearted romances. It is short, good-humored and relaxing." — *The New York Times*

PATTERNS IN POETRY

PSYCHOLOGICAL STUDIES
OF IMAGINATION

By
MAUD BODKIN

GEOFFREY CUMBERLEGE
OXFORD UNIVERSITY PRESS
LONDON NEW YORK TORONTO

...more Mar 29, 2021 Burcu Cinli rated it did not like it I'm not so surprised to find this to be a book filled with outdated and sexist theories of psychoanalysts such as Freud (since Jung himself was a contemporary psychoanalyst) although I am still somewhat disappointed to see how whenever Jung is mentioned the author immediately tried to connect that to Freud as if to fact-check Jung. However, there were parts when Bodkin went on and on and I often felt lost as not all of the book will be useful to me. Be the first. The author refers to poets who are not European simply by their nations unlike the European counterparts who are always referred to using their names. Yet, I learned a lot of things and I am sure I'll quote many things from Bodkin as it is a good point of start in archetypal literary criticism. My biggest disappointment was the author's continuous commentary on how all the archetypes mentioned here are specific to Europe, how only her fellow Europeans may understand her, even when looking into epics that did not necessarily come from Europe. Overall, it is a good source for people who study archetypes and even more useful if you are also interested in poetry. However, there were parts when Bodkin went on and on and I often felt lost as not all of the 4/5 Stars (%75/100)Considering that Bodkin published in 1934, it is very impressive that you can still use it in many ways. After many days, I am glad I am done with reading but I'll still come back and check certain things. In this original and influential work, Maud Bodkin explores a hypothesis propounded by Jung: that certain poems stir within the reader's mind unconscious forces, "primordial images" in Jung's phrase, or archetypes which exist in the psyche as the result of experiences, not of the individual himself, but of his ancestors. Finally, my personal disappointments aside, I want to WARN anyone interested in this book to keep in mind that this book is a collection of VERY personal and subjective responses to a wide variety of poems. Archetypes are mentioned in every 50 pages briefly but most of the book is how the author felt or dreamt after she read a certain poem. Add tags for "Archetypal patterns in poetry; psychological studies of imagination,". My biggest disappointment was the author's continuous commentary on how all the archetypes mentioned here are specific to Europe, how only her fellow Europeans may un I'm not so surprised to find this to be a book filled with outdated and sexist theories of psychoanalysts such as Freud (since Jung himself was a contemporary psychoanalyst) although I am still somewhat disappointed to see how whenever Jung is mentioned the author immediately tried to connect that to Freud as if to fact-check Jung. Oh, and if you haven't felt the same, no worries, it's probably because you are not a European. I had to read this book because I plan to use it for my thesis and I admit that it is a difficult read, especially for a Master's student. ...more Heather Bloor rated it really liked it Aug 07, 2017 Ray-an rated it it was amazing Sep 30, 2014 Sarah rated it really liked it Dec 04, 2014 Ellen rated it liked it Nov 13, 2009 Rosa Jamali rated it it was amazing Nov 20, 2021 Muthu Ganesh rated it it was amazing Oct 09, 2016 Nobody Krish rated it really liked it Nov 17, 2017 Daniela rated it really liked it Mar 22, 2019 Abi rated it it was amazing Jan 05, 2021 Rebekah rated it really liked it Jun 19, 2009 Carra Moon rated it it was amazing Mar 12, 2016 Vincent marked it as to-read Sep 01, 2008 Cecilia marked it as to-read May 31, 2009 Michael marked it as to-read Dec 23, 2011 Jeremy marked it as to-read Jan 10, 2013 Mishu Roy marked it as to-read Jan 22, 2013 Sabouseif marked it as to-read Apr 01, 2013 Elliz Kent marked it as to-read Jun 26, 2013 Elena marked it as to-read Jul 28, 2013 Anita marked it as to-read Jul 28, 2013 Tiffany marked it as to-read Sep 07, 2013 Ben marked it as to-read Sep 26, 2013 Alex marked it as to-read Apr 13, 2014 Gabe marked it as to-read May 10, 2014 In this seminal text of archetypal literary criticism, Bodkin writes, "The special emotional significance possessed by certain poems—a significance going beyond any definite meaning conveyed—attributes to a stirring in the reader's mind, within or beneath his conscious response, of unconscious forces, primordial images, or archetypes." Showing 1-49 Start your review of Archetypal Patterns In Poetry 4/5 Stars (%75/100)Considering that Bodkin published in 1934, it is very impressive that you can still use it in many ways.
